Interested in participating?

We are co-creating an immersive experience for our local and global communities with this hybrid expo and conference. We invite all types of Complementary & Alternative Medicine business owners and practitioners, Holistic Healers and Health- or Fitness-Minded businesses, Nutrition & Wellness Coaches, Environmental Concern businesses, Yoga, Pilates and Restorative Movement teachers, Massage Therapists, Craniosacral/Polarity practitioners, as well as other like-minded businesses to co-create with us!

EXPO VENDORS: For-profit and Nonprofit businesses and entrepreneurs are invited to join this event as a Vendor in our EXPO. Additional opportunities for Vendors include becoming an Event Sponsor, or giving away a Paying It Forward Sponsorship to pay for a booth for another like-minded nonprofit or small business you are connected to. Vendors are also welcome to participate as a presenter or workshop facilitator!

WELLNESS PRESENTERS & SPEAKERS: If you have a holistic wellness presentation you'd like to offer, we invite you to join us as a Speaker. When completing the Participant Application, please include the title and description of the presentation you'd like to offer for the community. There is a small fee for speaking at our event - this is to cover the additional marketing we offer for our speakers in the event programs. Please include a bio and headshot, as well as any links to previous talks you've given.

WORKSHOP FACILITATORS: We are seeking teaching practitioners in Yoga, Pilates, Restorative Movement, and Barre, to offer movement workshops at this event. In addition, we are seeking wellness practitioners to teach hands-on classes in our wellness workshop series. These workshops should be focused on teaching a skill to help our community maintain healthier lifestyles. Please complete the Participant Application to let us know you are interested and what type of workshop you'd like to offer.

HEALING PRACTITIONERS: We are setting up a Healers Clinic at this event to operate and offer healing services for the participants. There is no charge for a healer to participate in the clinic up front, but we do request a small percentage of your income from each day as payment for your space in the event - this is negotiable. You are asked to offer 20 to 40 minute sessions of your healing service. We will have a sign up page available prior to the event that will ensure your sessions are filled. Any open sessions can be filled by walk-in clients. Please complete the Participant Application to let us know you are interested and what type of healing services you offer.

CALL FOR ARTISTS, ART THERAPISTS & SOUND HEALERS: For the Healing Media Experience, we are seeking artists who are creating higher vibrational artwork, such as spiritual or energy infused art, sacred geometry and the like. You are invited to sell your artwork at this event - just make sure you've selected prices for each piece. Sound healers and frequency musicians are also invited to co-create the Healing Media Experience as you are called to do. Art Therapists are invited to set up an experiential booth in the Healing Media or the Healthy Family sections of the event, to show how creating art and using our creativity helps us heal on a deeper level. Please complete the Participant Application to let us know you're interested, and be sure upload a sample of your artwork or an audio/video of your sound healing experience.

CONTACT: Contact the event coordinator, Stephanie Bucklin (via email at integrativewellnessexpo@gmail.com), or schedule a free consultation online if you have any questions about participating in this event.
